## Description & Location

Allamanda Beach Hotel is an ocean-front property located on the south coast of Barbados. The 50 self-contained-room hotel is centrally located in close proximity to a wide variety of restaurants, sports bars, nightclubs, entertainment, banks and supermarkets, and is directly opposite Hastings Plaza, where there is some duty free shopping. Some of the islands' best swimming is at Rockley Beach, which is just a four-minute stroll from Allamanda. For those who just want to relax, there is a wooden boardwalk that stretches the length of the property.

Situated just 3 minutes drive from our sister hotel Amaryllis Beach Resort, a 150-room 4-star property ([www.amaryllisbeachresort.com](http://www.amaryllisbeachresort.com)), located on the fabulous Palm Beach in the Garrison Historic area, with safe swimming, excellent snorkeling and free non-motorized water sports. These facilities are also available for Allamanda guests.

Allamanda is about 4 minutes drive from the 9-hole Rockley hotel golf course, 10 minutes drive from the capital city of Bridgetown, 15 minutes drive from the 18-hole championship golf course, Barbados Golf Club (our parent company is part owner of BGC) and 30 minutes drive from the airport. The hotel is located on the main bus route and a taxi service is always available.
